

engine/src/core/Input.h

```
graph TD; A[engine/src/core/Input.h] --> B[utility]; A --> C[core/Core.h];
```

The diagram illustrates the dependencies of the file `engine/src/core/Input.h`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled `utility` and the right box is labeled `core/Core.h`. This indicates that `Input.h` depends on both `utility` and `core/Core.h`.
